

Electricity Information Disclosure New line charges for other consumers

For the year beginning 1 April 2012

Pursuant to: Electricity Distribution (Information Disclosure) Requirements 2004 (Consolidating all amendments to 31 October 2008)

## LINE CHARGE (NON-STANDARD) DISCLOSURE

Wellington Electricity Lines Limited (WELL) is required by the Electricity Distribution (Information Disclosure) Requirements 2008 (the Disclosure Requirements) to disclose its line charges under Part 4 the transitional provisions.

The information in this document was prepared by WELL after making all reasonable enquiries and to the best of its knowledge; the information complies with all relevant requirements of the Disclosure Requirements.

The information in this document is not intended by WELL to constitute an offer of services to the public.

The information is available on request at:

Chief Financial Officer Wellington Electricity Lines Limited 75 The Esplanade Petone

And on the Internet at:-

## http://www.welectricity.co.nz/

In this document, words and expressions have the meaning given to them in the Electricity Information Disclosure Requirements 2004 or the Act, unless otherwise specified.

## Wellington region non standard line charges

Customer 1	Unit	Notes		Previous charges		New charges
