Attached is the High Load Permit Application form. Note that all loads over 5.0metres require a permit.

Please complete all details and scan and email the form to wellingtonservice@omexom.co.nz

Wellington Electricity will respond back to the sender's email address with Application approval or rejection (with reasons) within the Notice periods shown below.

If Wellington Electricity needs to contact the Applicant prior to approval or rejection the contact details in the Application Form will be used.

Notice Periods:

Wellington Electricity requires the following minimum notice of high load application:

- Loads below 5.4metres – 2 full working days notice
- Loads 5.4metres and over, and below 6metres – 5 full working days notice
- Loads 6metres and above – 10 full working days notice

Costs:

- Loads of 5.5metres and over may attract escort and other network related charges (eg line drops). An estimate of these costs will be sent to you within the above notice periods. Granting of the permit is conditional on written acceptance of these charges.

If you have any queries relating to this application please contact us on 0800 248 148 (Option #7)
